

# Mûr-de-Bretagne / Pontivy

## La Véloodyssée

---

Designated track and very steep descent into the Guerlédan dam towards Pontivy. Here the Blavet is no longer navigable. The steep-sided valley, imposing lock keepers' buildings and lush vegetation, give this stage of La Véloodyssée an enchanting feel.

### Itinerary

Steep descent to reach the Guerlédan dam in the centre of Mûr-de-Bretagne. After the descent there is a stage with designated track on the towpath as far as the îlot des Récollets.

### Connections

On small lanes to St-Aignan and Neuillac.
