

Mûr-de-Bretagne / Pontivy

La Vélo dyssée, the Atlantic Cycling Route

Designated track and very steep descent into the Guerlédan dam towards Pontivy. Here the Blavet is no longer navigable. The steep-sided valley, imposing lock keepers' buildings and lush vegetation, give this stage of La Vélo dyssée an enchanting feel.

Itinerary

Steep descent to reach the Guerlédan dam in the centre of Mûr-de-Bretagne. After the descent there is a stage with designated track on the towpath as far as the îlot des Récollets.

Connections

On small lanes to St-Aignan and Neuillac.
