## La Vélodyssée, the Atlantic Cycling Route

The area of Île-aux-Pies, with its almost Mediterranean feel – pine trees and rocky peaks – brings a chic ambience to this section of La Vélodyssée. In Redon, at the crossroads called La Croix-des-Marins, the Oust entwines with the Vilaine; take care not to get lost...

### Itinerary

Be careful on the short section on the RD 65 between the hamlets of Mussain and Courée (large roundabout). Take care at the crossing in Redon. Dedicated tracks for the rest of the route.
